MAN

The Giovanni Raspini Man 2025 collection stands out this year with an exceptional selection that draws on various inspirations and perspectives, with a great variety of themes and contemporary ranges. The brand had long been considering new types of jewellery for men and is now proud to present its very first earrings, pendant necklaces, and pins, all designed especially with men in mind. Lots of novelties in no less than 5 collections: Black Panther, Studs, Brick, Chains, and Tango.
